

## Cardrona Village Hall

### Proposed Booking Fees 2023-24

The main costs of running the Hall, namely energy, cleaning and insurance, are all going to rise by 10% or more in 2023-24. We therefore believe we should increase the fees for booking it. Our proposal is to raise the current standard rates by 25% and to give CVA members a 20% discount on the new standard rates, bringing their rates back down to the current standard ones.

The Hall now has a fibre broadband service (download speed 100Mb/s) that is free to use for anyone in the Hall.
